This year a record number of thirteen seniors graduate from the ranks of the bockey players. It will be difficult to fill their shoes

The varsity team played in two leagues this year. Their record of 10-3-1 in the High School League gave them third place. In the Detroit Recreation League they finished fifth with an 8-5-1 record

Bill McSween was the leading scorer on the team in both leagues. In the Recreation League he had six goals and eight assists. In prep play he scored nine and seven, Greg Kasper was the second highest scorer in the high school play with seven goals and seven assists. Dennis Markiewicz was third with eight and five. Both Kasper and McSween were named to the annual All-Star Team.

The hockey dads, under the leadership of Mr. Paul Sanderson, gave the program solid financial backing. The Mayor's Tournament and the dance raised funds which were used for practices and equipment

Our coaches. Fr. Barnes, Bob Christian, and Joe Wilis, Jr., deserve our thanks for their hard work. The managers did a good job. Tom Janisse was our faithful statistician, and, as usual, Mr. Joe Wills, Sr gave us valuable assistance in the printing department
